With 480 WATT Power Supply

Only \$339**

March 2012

IBM Compatibles by ComputAbility are built with **ASUS Motherboards, Intel Processors** and other carefully sourced parts from reputable suppliers. We will not compromise quality to save a few dollars. There are many opportunities for so-called, "good deals", but ultimately, this is paid for with short component life, poor performance, and poor service.

Since 1993, ComputAbility has supplied the best quality & value available, service backed up by our manufacturing facilities & excellent prices.

Laptops

ASUS EPC101PXD

1.66 GHz Intel ATOM N455 CPU

ComputAbility's Complete Line of Systems

Value Series

Intel **Core i3 2100 3.1 GHz** Processor
 ASUS P8H61-M R3 LGA 1155 Motherboard
 3 MB LII Cache
 4 GB 1333 MHz Dual Channel DDR3 RAM
 USB 2.0 High Speed Ports (max. 10)
 Multimedia Card Reader
 1 TB SATA2 7200 rpm Hard Drive, 16 MB Cache
 22X DVD +/- R / RW / CDRW Drive
 Dual Display Capable, VGA, HDMI & DVI Outputs
 22" Flat Panel LCD Display
 8 Channel High-definition Sound
 Stereo Speakers
 Keyboard and Optical Mouse
 10/1000 Gigabit Network Interface
 480 Watt ATX Tower Case
 Windows 7 Home Premium (CD & License)

WHAT VALUE !! The Value Series System does not sacrifice Performance or Quality. Even with it's relative low price, it has Intel's latest SANDYBRIDGE technology and a Dual Core CPU with Hyper-Threading. Intel HD Graphics supports dual displays and includes a 22" LCD Display. 8-Channel HD Audio and Stereo Speakers with Subwoofer provide awesome sound. Connect to the Internet within seconds of booting the machine for the first time. This system is fully upgradeable in the future to 16GB DDR3 RAM, Core i7 CPUs and your choice of optional PCI-Expressx16 Video Cards. **Upgrade this system to 8 GB DDR3 RAM for \$30.**

Add Office 2010 Home & Student Ed for only \$129

\$799.00

Family All-In-One

Intel **i5-2500** 3.3 GHz **Quad-Core** Processor
 ASUS P8Z68-m Pro "Green" Motherboard
 8 GB DDR3 Dual Channel RAM
 Up to 10 USB 2.0 Ports, **2 USB 3.0 Ports**
 1 TB 7200 rpm SATA2 Hard Drive, 32 MB Cache
 7-in-one Card Reader
 22X LightScribe DVD-RW/ DVD-RAM / CD-RW Drive
1080p HDMI / DVI / VGA Outputs
 22" LED Display
 Integrated 8 Channel HD Audio (S/PDIF out)
 2.1 Speaker System with Sub-Woofer
 Internet Keyboard and Optical Mouse
 10/1000 Network Interface
 Antec Tower Case 380 W. High Efficiency Power Supply
 Windows 7 Home Premium (CD & License)
 Colour Printer/Copier/Flatbed Scanner
Microsoft Office Home & Student 2010

A perfect system for the family. **Energy Efficient too!** The Premium ASUS Motherboard with the latest Intel Z68 SANDYBRIDGE Chipset has 6 GB/s SATA & Digital Audio S/PDIF. Load "Express Gate" for quick access to the internet and music. The integrated 1.74 GB Intel Graphics Media Accelerator has PCI Xpress upgradeability and **DirectX 10 compatibility! 1080p HDMI, DVI & VGA** connectors for dual display applications and connection to your flat-screen TV. Create stunning presentations using Microsoft Word & PowerPoint. Build a family budget & track expenses using Microsoft Excel. Save, share, print & publish your documents with just a few clicks! Use the flatbed scanner to scan pictures and output them using the colour printer.
